

## Church Directory on Computer

Go to [instantchurchdirectory.com](http://instantchurchdirectory.com)

Click on **Church Member Sign In**

Normally you put in your email and password, but your first time, click below on **First time signing in- create a login**

Enter your **email** and **make a password**

*They will send you an email with a link*

**Click on the link**, it takes you back to their website.

Enter your **email** and **password**-  
directory opens up!

Click on a family to see their information  
or search for a family

## Church Directory App for Phone (it's free!)

Go to your **playstore** (or wherever you get your apps)

Search **Instant Church Directory**  
(should be first on your search)

Click **Install**

When installed, it will ask you for your email. **Put in your email**

*They will send you an email with a code*

**Open up the app and put in code**

Directory opens up!

Click on a family to see their information  
or search for a family
